Villas

Villas at Bellis Deluxe Hotel are the opportunity to enjoy privacy, while having access not only to the main infrastructure of the hotel, but also receiving additional VIP services and increased attention from the staff. Thanks to the thoughtful design and stylish interior, you can feel at home, enjoying the usual level of comfort.

Bellisimo Restaurant

Bellis Deluxe's main restaurant is buffet style and considered to be the most popular. Guests can choose their favorite dishes in unlimited quantities and the order for drinks is accepted by the waiters. Fresh juices are served for breakfast.

Breakfast, lunch, dinner and overnight soup are served in a bright room located close to the main hotel building. The place has a pleasant atmosphere, and the interior is dominated by light colors.

From early morning until late at night, a team of chefs prepares fresh dishes from various cuisines of the world, so that a variety of flavors is provided for guests throughout the vacation.

Begonvil Restaurant

One of Bellis Deluxe's special a la carte restaurants is in a secluded area surrounded by pine trees. The terrace overlooks a peaceful view of the green meadow. Playgrounds are provided nearby so that children don't get bored while adults enjoy dinner with leisurely conversations.

We have built a separate building for the Begonvil restaurant, where natural stone and wood predominate in the decoration. Combined with high ceilings, this creates a special cozy atmosphere reminiscent of a medieval knight's hall.

The restaurant is available for breakfast, lunch, and dinner. It serves buffet meals and offers à la carte options — such as grilled seafood and steaks. Fresh juices will be served for breakfast.

Guests staying in Jasmine cabins can use the services of the Begonvil restaurant free of charge, other guests — for an additional fee by appointment.

Kid's Club

We make sure that both children and their parents could have a rest at sea!

Especially for this, on the basis of the Bellis Deluxe hotel, we have created an entertainment club Pony Kids Club for children from 4 to 16 years old. A team of professional animators every day offers an interesting developmental program to make children's rest even brighter and more educational.

The club brings together children of different nationalities, divided into three age groups. Chatting with peers gives you the opportunity to learn more about different cultures and get great practice in speaking foreign languages.

Pony Kids Club age groups: 4 - 7 years, 8 - 12 years, 13 - 16 years.

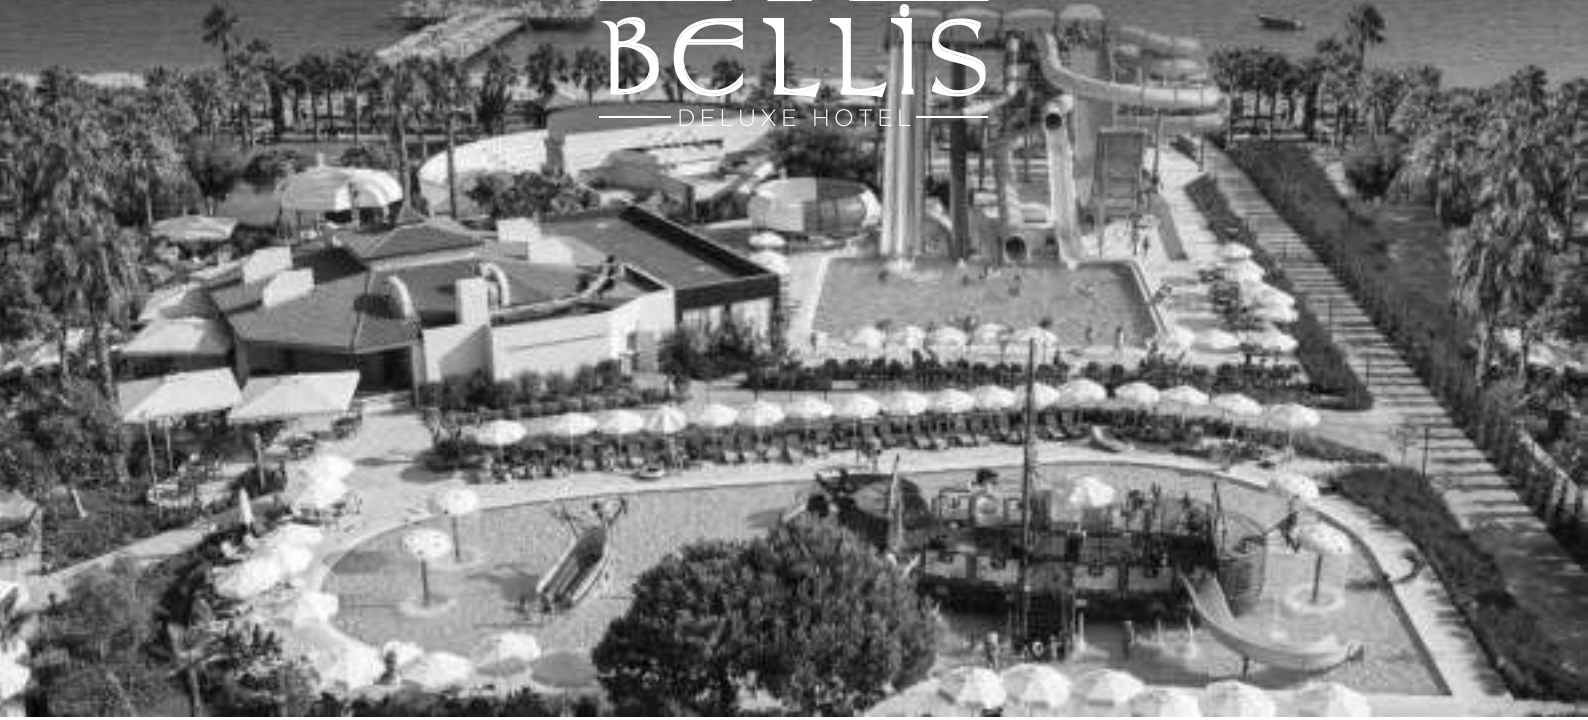

At Bellis Deluxe, we pay special attention to our little guests. There is a water park with slides and children's pools especially for them. The restaurants have highchairs and there is a separate children's restaurant in the main building. For children under 4 years old, you can use a paid babysitting service.

From time to time we hold special shows, children's discos, culinary workshops, costume parties with face painting, including a pirate day.

There is also a football field, cinema, mini golf course, tennis court and a zoo for children.

Available for an additional fee:
- Horse farm and riding lessons
- Game room
